

# Beginner Silkscreen Class!

We provide a pre-stretched aluminum frame to each student

## Part I

### Stencil prep:

- Submit .EPS or .JPEG artwork for approval on a CD, flashdrive, or by email 5 business days before the class
- Design area maximum is 8.5" x 11"; lines & type should be a minimum 1/16" thick

### Screen prep:

- Degreasing and drying screen
- Coating emulsion onto screen

### Exposing Screen:

- Burn stencil image onto emulsion
- Wash out image
- Final preparation of screen before printing

## Part II

Please bring in 6-8 T-shirts, any color or size.

*This is a very "hands on" class so please wear work clothing or bring an apron. Comfortable shoes are recommended. Leave delicate watches and jewelry at home.*

### Screen Printing:

- Set up screen on printer
- Register screen
- Prep one color ink for screens
- Screen t-shirts
- Clean up

## Learn the fun basics of screen printing:
